

HARVEST for HUNGER

Harvest for Hunger is an annual food and funds drive that takes place every spring. Second Harvest organizes the campaign in partnership with three other food banks in Northern Ohio, serving a total of 21 counties.

2018 CAMPAIGN

The 2018 Harvest for Hunger drive officially runs generally in March and April but you can run your campaign whenever it best suits your organization or company.

DONATIONS STAY LOCAL

Harvest for Hunger food and fund donations stay in the four counties Second Harvest serves: Crawford, Erie, Huron and Lorain to stock local food pantry and hot meal programs. **The further away you get from the holidays, the greater the need. These funds help to see these programs through the lean summer months. Friends and neighbors still struggle with hunger through the summer months but it is not something many think about away from the holidays.** Every \$1 donated equals 5 or more meals distributed. Food and funds raised here are used here.

CHECK OUT HUNGER

In our region many people are familiar with Harvest for Hunger because of our long-time grocery store partners—Giant Eagle and Heinen's. These two chains are the cornerstone supporters of this campaign across the region through their Check Out Hunger Campaign in the stores at the cash registers. All the major newspapers, TV, cable and radios stations join in as media partners.
